* Balanced composition of easily digestible proteins, carbohydrates, fats, vitamins, and minerals that are suited to the dog's needs.

** Contains Yucca schidigera, which helps to reduce the unpleasant smell of dog urine and faeces.

*** Contains 3,000 mg lecithin per kg.

DIMENSIONS:

Shape: square

Colour: brown

Dimensions:

• diameter: 15-16 mm

• height: 7-8 mm

Contains the FOS prebiotic and insoluble fibres that promote healthy intestinal flora and proper intestinal function.

Intestinal
Security

Contains a combination of astaxanthin, Omega-3 fatty acids, and FOS to support the immune system.

Immunity
Support

Contains an optimum ratio of Omega-3 and Omega-6 fatty acids, and is rich in the Omega-3 fatty acids EPA and DHA, to strengthen the dog's immune system, care for its skin, and promote its ability to learn.

Omega
3/6

Tasty feed with a high acceptance.

High
Acceptance

Contains reduced calcium for healthy, balanced bone development and increased protein for developing muscle mass.

Protein +

Nutritional advice

AMOUNT (GRAMS/DAY)

puppy's weight (kg) ¹	age in months 1-3	age in months 3-4	age in months 5-7	age in months 8-11	age in months 12-16
2 kg	120	105			
4 kg	205	180			
6 kg	280	245	210		
8 kg	350	310	260		
10 kg	410	365	310	210	
15 kg	560	495	420	285	
20 kg	695	615	520	350	260
25 kg		725	615	415	305
30 kg		835	705	475	350
35 kg			790	530	395
40 kg			875	590	435
50 kg			1035	695	515
60 kg				795	595
70 kg				895	665

This is a nutritional guideline. Environmental factors may also play a role, whereby you may need to deviate from this. The dogs may switch to Adult dog food around the age of 16 months (small and medium-sized breeds).

- Give your puppy the dog food 3 to 4 times a day for the first 3 months.
- Reduce this to 3 times a day at the age of 3 to 4 months.
- Reduce this to 2 times a day as from the age of 5 months.
- Make sure that your dog always has fresh drinking water.
- When feeding your dog HobbyFirst Canex for the first time, gradually build up the amount to 100% over the course of 7 days.

¹We recommend feeding puppies with an adult weight >25 kg Puppy Junior Kibble.
