Omega 3/6

Tasty feed with a high acceptance.

High Acceptance

## Nutritional advice

### AMOUNT (GRAMS/DAY)

dog's weight (kg)	basic activity	increased activity
2.5	50	65
5	85	105
7.5	115	145
10	145	180
15	195	240
25	285	355
35	365	455
50	475	590
70	610	760
80	675	840

This is a nutritional guideline. Naturally, very active dogs will need to be fed more, while less active dogs will need to be fed less. Basic activity is understood to mean:

1-hour walk every day; increased activity is understood to mean: 2-hour walk every day + running and playing.

- preferably, feed your dog 2 times a day
- make sure that your dog always has fresh drinking water
- when feeding your dog HobbyFirst Canex for the first time, gradually build up the amount to 100% over the course of 7 days
