

NEKTON COMPLETE

Premium Cockatiel Multipellets

Complete feed for large parakeets

Available size:

900g

Balanced basic diet

NEKTON Complete Premium Cockatiel Multipellets is a balanced complete feed specially designed for large parakeets. It provides your birds with all essential nutrients for daily health and wellbeing.

Supports the immune system

The specially formulated recipe delivers essential vitamins and minerals that strengthen your bird's immune system. Regular feeding helps maintain robust defenses and supports disease prevention.

Promotes molting and plumage

The nutrients included support molting and contribute to shiny, healthy feathers. High-quality proteins, essential fatty acids, and trace elements ensure optimal feather development.

Natural ingredients and high-quality pellets

The pellets are made from corn, wheat, millet, corn gluten, wheat germ, sunflower seeds, apple pomace, carrots, calcium carbonate, dried seaweed, and banana chips. These natural ingredients ensure high acceptance by your birds.

This special formula provides:

- Support for the immune system
- High-quality natural nutrient supply
- Assistance during molting
- Healthy, shiny plumage
