

NEKTON SUGAR GLIDER

Complementary feed for sugar gliders

Available sizes:

100g | 200g | 500g

Species-appropriate supplementary nutrition

NEKTON-Sugar Glider was specially developed to meet the nutritional needs of sugar gliders. Native to Australia, New Guinea, and Indonesia, these animals have an exceptionally fast metabolism and require a varied diet.

Balanced nutrient complex

As sugar gliders are often very selective in their food choices and tend to develop one-sided preferences, **NEKTON-Sugar-Glider** ensures a reliable supply of all essential vitamins, minerals, and trace elements. This optimally complements the diet and minimizes the risk of unbalanced nutrient intake.

Easy to use and highly palatable

Thanks to its fine composition, **NEKTON-Sugar-Glider** can be easily offered two to three times per week as an alternative to regular food. This simple handling ensures high acceptance, even in sugar gliders with sensitive or variable eating habits.

Support for vitality and well-being

The specially balanced formula helps promote the sugar-gliders natural metabolism and overall vitality. When used regularly, **NEKTON-Sugar-Glider** supports the healthy development, activity, and well-being of the animals.

This special combination of active ingredients provides:

- **Promotion of a balanced nutrient intake,** even with selective eating habits
- **Essential vitamins and minerals**
- **Support** for metabolism and vitality
- **Easy and safe administration**

More information about **NEKTON Sugar Glider** and other products for birds, reptiles, dogs, cats and small pets can be found on our website **www.NEKTON.de.**

Additives:

Nutritional additives per kg:

31,280 I.U. Vitamin A, 1,578 I.U. Vitamin D3, 19 mg Vitamin B1 (Thiamine mononitrate), 21 mg Vitamin B2 (Riboflavin), 32 mg Vitamin E (all-rac-alpha-to-copheryl acetate), 7,185 µg Biotin, 16 mg Calcium-D-pantothenate, 47 mg Niacinamide, 13.7 mg Vitamin B6 (Pyridoxine hydrochloride), 158 mg Vitamin C (L-Ascorbic acid), 6.3 mg Vitamin K3 (Menadione sodium bisulfite), 1,850 µg Vitamin B12 (Cyanocobalamin), 1 mg Folic acid, 78 mg Choline chloride, 31 mg Iron (Iron(II) sulfate, monohydrate), 8 mg Copper (Copper(II) sulfate, pentahydrate), 7 mg Manganese (Manganese(II) sulfate, monohydrate), 4.6 mg Zinc (Zinc sulfate, monohydrate).

Technological additives:

Sorbic acid, silicic acid.

Feeding recommendation:

Dissolve **10 g of NEKTON-Sugar-Glider in 100 ml** of lukewarm water while stirring. 2–3 times per week as a supplement. Mix fresh daily and only as much as is consumed. One level measuring spoon (inside scoop) corresponds to 10 g of **NEKTON-Sugar-Glider.**

Vorsichtsmaßnahmen:

- Always store the product between **15 °C and 25 °C in a dry, light-protected place**.
- We recommend using the product within 3 months after opening.

TIPP:

Für Flugbeutler sind zwei Mahlzeiten pro Tag ideal, da so der Verdauungsprozess aufgeteilt werden kann. Geben Sie eine kleinere Mahlzeit am Morgen und die Hauptmahlzeit dann am frühen Abend.
